Post of Temporary Lecturer on Contract (2 Posts)

Department of Information Technology, Faculty of Arts, University of Peradeniya

Contract Type: This post is full-time, available immediately, and is fixed term for 1 year with the possibility of extending.

The Department of Information Technology, Faculty of Arts seeks persons who are highly motivated, enthusiastic, energetic, and dynamic, and who possess proven intellectual and technical abilities to conduct lectures, lead practical sessions, engage in research, and participate in outreach activities.

Having postgraduate qualifications and training experience would be considered advantageous.

The Scope of Work:
- Plan and deliver lectures, tutorials and practicals that are engaging and informative, and that meet the learning outcomes of the course.
- Prepare formative and summative assessments to evaluate the attainment of the expected learning outcomes of the course by the students.
- Provide feedback to students on their work, both formative and summative.
- Assist students in undertaking projects related to IT and supervise the progress of the projects.
- Maintain current knowledge and awareness of new developments in Information Technology and its applications, and be able to share this knowledge with students.
- Work collaboratively and effectively with other lecturers, and support staff to ensure the smooth running of the department and the Faculty.
- Contribute to the development of the department by introducing new and innovative features to be on par with international standards.

The skills and qualifications required:
- Priority will be given to a candidate with the first class and upper second class in Information Technology, Information and Communication Technology, Computer

Science, or Computer Engineering degree; However, one with a second class lower degree and having a strong IT component will be considered.

- Preferences will be given to the candidates who have postgraduate qualifications in the following fields; software development, database management systems, computer networking, information systems, web technologies, and cloud computing and mobile systems.
- As the department is new, the ability to contribute to develop the department is considered important.

Interested candidates are encouraged to submit a self-made application form, applicant's curriculum vitae, and degree transcript/s along with additional documents that showcase their expertise, competence, skills, and research experience to the **Head, Department of Information Technology, Faculty of Arts, University of Peradeniya (hod.dit@arts.pdn.ac.lk)**

The closing date of this call is 12noon 25th August 2023.
